# Total Protection. Total Value. The Total Package.

To keep your business on offense in your drive for success, you need a strong line of defense without weak points. That's the idea behind the DEFENDER™ Package for chemical and bulk liquid transport.

### THE BETTS DEFENDER PACKAGE—A TOTAL SOLUTION

- Easy ordering
- Betts premium engineering and manufacturing standards
- 3-year warranty and serviceability

The Betts DEFENDER Package is designed to make it easy to spec and build in value and confidence that pays for itself with every mile of safe transport. The Betts name on every part is our promise of integrity, durability and reliability.

It's a comprehensive layer of protection afforded through matched components that work together in every dimension of trailer operation, giving manufacturers, distributors and fleet owners peace of mind knowing they've done their best, because we've done ours.
